

IN PURSUIT OF EXCELLENCE

*Dartmouth College
Recognizes with Deep Appreciation*

The Honorable James M. Coleman, Jr. '46

*In recognition of distinguished service
for the Dartmouth Class Treasurers Association*

Chip, you are the epitome of a "loyal son of Dartmouth". You were an active and engaged student leader for your few years in Hanover and you have been an alumni leader for the past 65 years! President of Green Key, president of Beta Theta Pi, member of Sphinx, captain of a championship basketball team, judge, church and civic volunteer and long serving Class Secretary – you did it all!. Today, however, we celebrate your loyal years of service as Class Treasurer to the Great Class of 1946.

In a class which suffered from disrupted years at Dartmouth due to World War II, you have definitely been an important player in bringing the Class of 1946 together and keeping it alive. For a number of years you served as secretary of the Class, spending hundreds of hours on the telephone contacting classmates for news to contribute to the DAM. For the past ten years you have also served as treasurer.

In your work as class treasurer, you put your heart, soul and, sometimes, even your own funds into the Class treasury. You made deadlines, completed paperwork, and asked for dues with a steady and careful style that built your treasury and allowed your Class to do great things.

A font of information about life, the College and your beloved Class of 1946, you have never been at a loss for words. In speeches and informal conversations, you always recall the past with wit and nostalgia. Today, however, the Class Treasurers Association will have the last word. We offer our words of congratulations on a job well done and thanks for your years of service!

Vice President, Alumni Relations

Director, Class Activities
