

IN PURSUIT OF EXCELLENCE

Dartmouth College
Recognizes With Deep Appreciation
The Extraordinary Achievements of

The Class of 1986

Recipient of the 2010-2011

**Honorable Mention, Classes 25 years and younger
In Recognition of an Outstanding Mini-Reunion Program**

The Mini-Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini-reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

It is therefore our honor and pleasure to recognize and thank the Class of 1986 for an outstanding mini-reunion program during 2010-2011. You organized 11 events with 177 attendees in Boston, Hanover, New York, San Francisco, Connecticut, London, and Washington. You successfully used your mini-reunions to build momentum for your 25th Reunion, and your significantly improved the quality and frequency of your events from previous years. We are honored to recognize you as Honorable Mention for classes 25 years and younger.
