Dartmouth College
Recognizes With Deep Appreciation
The Extraordinary Achievements of

The Class of 2010

Recipient of the 2010-2011
Donald C. Smith '53 Award
In Recognition of an Outstanding Mini-Reunion Program

The Mini-Reunion Chairs Association is comprised of a group of individuals, selected by their classmates, who have generously volunteered their time and energy. The members represent their classmates spanning seven decades as well as spanning the globe. We all share the tie to the Dartmouth College community and the desire to maintain that bond between our classmates and to Dartmouth. The mini-reunion program is designed to accomplish that – and much more. It strengthens the legendary Dartmouth alumni community, one that continues to return by the thousands for Homecoming weekend, one that makes its voice heard in campus issues, and one that provides the critical – and generous – financial support for the many classes to come, long after we ourselves have left the College.

It is therefore our honor and pleasure to recognize and thank the Class of 2010 for an outstanding mini-reunion program during 2010-2011, what a great year! We are extremely proud of the number of events and strength of your attendance. You organized 8 mini-reunions, in four different cities, with an awe-inspiring 340 classmates attending. Your creative events included a 10-10-10 celebration and a Homecoming celebration with 175 classmates. Your plans for 2011-2012 include expanding events to an additional six cities. You partnered with other classes to plan even more successful events and foster the bonds of Dartmouth Alumni. You have set the bar high in your first year out of the gate, and have lofty aspirations of raising it even higher!

Congratulations on a highly successful year, and we look forward to seeing this strong tradition continue, bringing together Dartmouth classmates all across the country and the world.
